

Dear 2021 Couples on Thompson Creek,

Due to the consistent weather The Bluffs has made the tough decision to RESCHEDULE the April 30th - May 2nd Couples Tournament. Although temporary, the golf course has been damaged for the time being. We are tentatively looking to have The 2021 Couples on Thompsons Creek in early August or October when the golf course is up to our standards.

We apologize for any inconvenience this may have on your travel plans.

All participants signed up will be notified on the new date of the event, please call the golf shop if you have any further questions or concerns.

Thank you

Will Maciasz
